Conserve Surge

Take Control of Energy Consumption at the Workstation

Part # CNS08-T-06uk

UPC: 722868736005

Save Energy at the Office

Take Control of Energy Consumption

The Conserve Surge with Timer is an easy-to-use cost-saving business solution that helps reduce the energy wasted by office electronics by turning them off automatically, right at the workstation.

Timed Power

The convenient desktop timer button lets you power up electronics at the start of the work day and starts an 11-hour timer. At the end of the day, power is automatically turned off—eliminating wasteful standby power. The button can also be used as an on/off switch to power electronics manually.

Features

- Automatically powers electronics off at the end of the day, eliminating standby power
- Convenient desktop timer button lets you power electronics on at the start of the day and starts the 11-hour timer. Also lets you turn off electronics manually.
- 8 total outlets
- 6 Auto-Off outlets for computer monitors, printers, external hard drives, speakers, chargers and other electronics.
- 2 Always-On outlets for devices that need continuous power, like fax machines or desk clocks.
- LED light blinks to alert users before power is automatically shut off

Technical Specifications

AC PLUG STYLE	Right Angle
ALWAYS ON OUTLETS	2
BLOCK SPACE OUTLET	4
Built-In Circuit Protection	Yes
CIRCUIT TOTAL JOULES (8X20 US)	1080J
CLAMPING VOLTAGE	400v
COLOR	White / Grey
CONTINUOUS ELECTRICAL RATING	15A/120V~/60Hz/1800W
CORD LENGTH(total)	6 ft.
EMI/RFI NOISE FILTER	150K Hz~100M Hz
EMI/RFI Noise Filtration	Yes
MAX. SPIKE VOLTAGE	6kV
Maximum Spike Current	72,000A
MOV: H-G	360J (201KD20)
MOV: H-N	360J (201KD20)
MOV: N-G	360J (201KD20)
NOT GND INDICATOR	Yes (red)
Operating Temperature	40 degree C
OUTLET (TOTAL)	8
OVERLOAD PROTECTION	Yes
POWER SAFETY SHUT DOWN	Yes
REMOTE SWITCH BATTERY TYPE	A23 (12V)
RESPONSE TIME <1 NANOSECOND	Yes
SURGE INDICATOR	Yes
SWITCHABLE OUTLETS	6
Unit Dimensions	Surge Strip: 1.5"(H) X 13"(L) X 4"(W) Wireless Remote: 0.6"(H) X 3.25"(L) X 1.75"(W)
Weight	Surge Strip: 1.669 lb (including cable) Wireless Remote: 0.086 lb
WIRELESS RANGE	60 feet

Package Includes

- Conserve Surge with Timer
- Timer Button
- Instruction Card
